OUR COMMITMENT

WHAT YOU CAN EXPECT FROM OUR SERVICE

THE WORK: Route personnel shall perform the following work:

- A. Test water and add chemicals as needed.
- B. Skim pool, empty skimmer and pump pot baskets, empty pool sweep leaf bags and finger filters, clean energy filter, vacuum and brush as needed. (maximum 45 minutes)
- C. Backwash filters as needed (all filters except single cartridge) and adds diatomaceous earth to D.E. filters.
The cleaning of single cartridge filters is included with service.

SERVICE EXCEPTIONS: Windy, rainy, severe weather, and Holidays.

- A. **WINDY DAYS:** All the normal services will be performed, with the exception of vacuuming and bottom netting. This is due to visibility problems.
- B. **RAINY DAYS:** All the normal services will be performed, with the exception of netting, vacuuming, and brushing. This is due to increased risk of lightning strikes with the use of items requiring a pole attachment.
- C. **SEVERE WEATHER:** Under extreme conditions, such as ice and threat of tornado or flash flood, services may not be performed at all.
- D. **HOLIDAYS:** Each pool cleaner is given the options of;
 - 1. Begin servicing pools 1-2 days prior to the holiday,
 - 2. Servicing all pools on their scheduled day – including the holiday,
 - 3. Begin servicing pools the day following the holiday,
 - 4. Servicing 5 days of pools in 4 days, excluding the holiday.

Note: It could take up to two weeks after wind or rain to get your pool back to normal operating conditions.
